

CELL GROUPS

Grantham Road Zone

Some members of the Grantham Road Zone

This cell group was originally called LAUCALA BAY ROAD CELL GROUP and fellowship started in Mr & Mrs Aren & Laisa Baoa's residence in Laucala Bay Road. The group was first led by Nacanieli Rika, then Peter Ryland until God called him to His side in 2011.

Pauline Ryland then took over the reins from her beloved husband, until 2013. The leadership role was passed on to Brother Lemeki Ravai. The cell was very sorry to lose the Baravilalas as they played a major role in the spiritual lives of the cell members.

In 2014, the cell was renamed GRANTHAM ROAD CELL GROUP as most of the members lived along the Grantham Road corridor.

This year the cell became a zone which has been divided into 3 cells due to the increasing numbers

The Cell has grown in numbers and now consists of 11 families:

Ryland, Baoa, Silisoma, Jennifer Lanyon-Bentitai, Ruth Newton, Vive Cerewale, Kaituu, Ravai, Jieni Timote, Emeli Underwood, Faktaufon

in the cell. This zone was the first to make this very challenging and bold move.

- Grantham 1 - led by Aren Baoa based in Church.
- Grantham 2 - led by Jio Kaitu'u based in

"God has blessed our Cell Group with so many talents. We are also blessed with the largest number of youths in our cell and we praise God for using them to serve Him in so many ways."

Cunningham Road.

- Grantham 3 - led by Panapasa Silisoma based in Raiwaqa
- Zone leader - Lemeki Ravai

The first Wednesday of every month is usually a combined fellowship held in Church, followed by a meeting to discuss any issues we may have and then a fellowship cuppa afterwards. On the other 3 Wednesdays, meetings are held in our respective venues.

God has blessed our Cell Group with so many talents. We are also blessed with the largest number of youths in our cell and we praise God for using them to serve Him in so many ways.

It is our prayer that we will continue to bring more families into this fellowship and break into more small groups in the near future and increase our work and the spreading of the Word of God to the hungry in Spirit.

TO GOD BE THE GLORY FOREVER. ■
